GERMAN COURSES SUMMER SEMESTER 2020
GENERAL INFORMATION

The German language course consists of intensive daily language training before the beginning of the semester (72 teaching hours) and then continues with weekly language training during the semester (48 teaching hours). We strongly recommend participating in the full-time intensive language courses since the weekly courses are follow-on classes. However, if you do not have the opportunity to attend the intensive course in September, there still will be the opportunity to join the semester courses in October.

Costs
- German Intensive Course will cost 100 Euros plus course book extra.
- German Semester Courses will cost 50 Euros plus course book extra
