Please take into consideration the neighborhood of the university and close all windows when practicing!

The practice time is 2 hours maximum. After that time you must log out by deleting your booking at the terminal in the basement. Only afterwards may you book a new practice room.

The practice rooms on levels 5 and 7 (key-locked rooms) are assigned by the person at the gate. In order to use these rooms you need to enter your name in the "waiting list" at the terminal. You will then be assigned a room. The practice time is 2 hours maximum. After that time you must book a new time and date.

You may also practice in the teachers' classrooms, if they are not occupied and if your teacher recorded your name with the gate.

If the maximum practice time is exceeded or if you do not use your booked room (in time), your HochschulCard will be blocked for 24 hours. Cards blocked for more than 24 hours will be unblocked by Ms Fellermeier (room 9.08) or Ms Röser (room 9.07) after expiry of the blocking time.
